FEEL THE DIFFERENCE

The new Speed Pro gives way to the reinvention of a generation of juicers. Fast, reliable, and equipped to service areas with high juice demand, our Speed Pro comes in a variety of functional formats.

Whether you want to have the juice bottled and ready for your customers, provide them with a self-serve alternative, set it on a countertop or podium – our Speed Pro is the fastest and most robust juicing solution on the market!

Speed Pro **Self Service Podium**

Speed Pro **Cooler Podium**

SPEED PRO TANK PODIUM

Save some time and juice as efficient as possible. Squeeze some juice into the Speed Podium's integrated storage tank and have it ready to be served. With 132 gal. of storage, it preserves freshly squeezed juice without compromising taste or quality and allows you to squeeze in a time-saving way.

DIMENSIONS (LxWxH) 680 x 700 x 1760 mm / 27" x 28" x 69"

NET WEIGHT 117 kg | 258 lb

SPEED PRO SELF SERVICE PODIUM

Ideal for locations with high juice demand that want to offer their customers a quick and easy self-service option.

DIMENSIONS (LxWxH) 680 x 700 x 1760 mm / 27" x 28" x 69"

NET WEIGHT 118 kg | 260 lb

SPEED PRO COOLER PODIUM

Our Speed Pro cooler podium cools freshly squeezed juice thanks to its integrated temperature controlled cooling device. Its 1.85 gal. tank and integrated level detector ensures the cooling and storage is just right.

DIMENSIONS (LxWxH) 680 x 730 x 1850 mm / 27" x 29" x 73"

NET WEIGHT 128 kg | 282 lb

SPEED PRO

NEW!

SPEED PRO

The revolutionized version of our Speed; this model is designed for restaurants with high juice demand. It sits perfectly on countertops, and its side peel buckets makes it easy to maintain and clean.

DIMENSIONS (LxWxH) 590 x 570 x 990 mm / 23" x 22" x 39"

NET WEIGHT 65 kg | 143 lb

SPEED PRO SELF SERVICE

Perfect for locations that want to offer their customers a "self-serve" option. Suitable for restaurants, cafes, convenience stores, buffets, supermarkets, and more.

DIMENSIONS (LxWxH) 590 x 660 x 1050 mm / 23" x 26" x 41"

NET WEIGHT 72 kg | 159 lb

PRODUCT HIGHLIGHTS

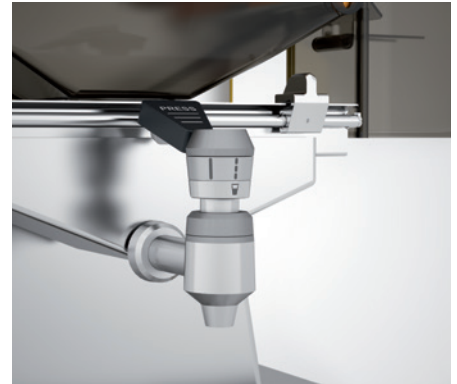

New Feeder

- Capacity of up to 44 lbs – increased by 9 lbs. New front flap allows for easier loading of fruit into basket.
- Better orange rotation.
- Larger feeding tube, 110-113 count.
- Hassle free cleaning thanks to our new Drain&Clean system.

Better juice extraction block

- Redesign of feeder tube, with Flap.
- New structure, with integrated electronics and invisible detectors.
- New extraction cover with Click&Clean lugs, easy to dismantle.
- New peel outlet system with automatic stop safety.

2Service Tap

- New tap allowing for a no-drip experience, easier to clean.
- 2 Modes: Continuous or discontinuous.
- Removable stainless steel bin with just one click.

PulpOut System

- Two Options with every machine:
 - **Manual sweeper.** Slide side-to-side and eliminate pulp as you go.
 - **W Filter.** Traditional way of removing pulp; empty-out when ready.

Intelligent Touch

- Built-in electronic display for all models.
- Two working modes; automatic or professional.
- Select the language and number of oranges to squeeze.

Waste Management

- New handy waste trolley, makes mobility, sanitation, and safety - easier than ever.
- Capacity for up to 115 lbs of waste.

ACCESSORIES

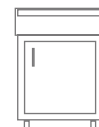

D65 SQUEEZE KIT

This accessory permits squeezing fruit with less than 2 ½ in (65 mm) diameter such as small oranges, tangerines and limes.

DCS SYSTEM

Squeezing soft and very ripe citrus fruit has a solution. There is no fruit that resists its dynamic blades.

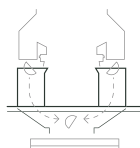

ZUMEX DISPLAY

For you to always have your freshly squeezed juice bottles ready to take away. Available in two sizes.

SELF SERVICE TRAY KIT

Front support that is secured to the module, enabling the tray to be left on it in self-service establishments.

COUNTER TOP KIT

Integrate bar counter waste management in the most practical and clean way with the Counter Bar Kit.

BOTTLE RACK

Ideal for self-service applications, where there is a need to dispense bottles, jars or glasses. Includes three trays. Zumex Pack, with 6 bottle formats and customizable labels.
